Dear Lou Gigliotti,

On behalf of the Citizens for a Better Hunt County members, I am pleased to inform you of our endorsement of your campaign by Citizens for a Better Hunt County for U.S. Representative Texas House District 4. The endorsement is a reflection of your common sense conservative position on the issues, your integrity and your commitment to stand on principle and fight for the values of the residents of the district.

Your background as an educator and small business owner qualifies you to represent the people of the district in standing against the unconstitutional mandates of the federal government on the people and State of Texas. You represent what it means to be a Texan. Your values, commitment, leadership and courage are reflected in your current efforts in exposing corruption in Washington. We trust that you will fight in Washington D.C., just as you are doing here.

We believe that you are the best candidate for U.S. House and are confident that you will represent the people of Hunt County and all of district well in Washington D.C. while continuing to stand on principle for issues of life, securing the border, protecting against terrorism, protecting property rights, providing needed fiscal restraint and standing up to leadership in the U.S. House that may work against conservative values. We trust you will be a strong vocal conservative for the hard working men and women of District 4.

Please feel free to communicate your endorsement to voters as you see fit. The endorsement logo can be used with your campaign advertisement. If you have any questions, please feel free to call me at (903) 355-1538.

Best of luck with your campaign!

Sincerely,

Josh Furnish
President
